Procedures for Scheduling and Conduct of Standard Surveys

The State has in effect the following procedures for the scheduling and conduct of standard surveys to assure that it has taken all reasonable steps to avoid giving notice.

The state survey agency survey schedule is prepared by one of the managers of the licensure and certification program. Copies of the survey schedule are only provided to members of the survey staff.

As part of the routine federal orientation for new surveyors, they are informed of the restrictions governing disclosure of the survey schedule. In addition, they are informed of the civil fines that may be imposed for inappropriately disclosing the dates of scheduled surveys.
